

# Lesson 1

## Prior Knowledge Check

# Prior Knowledge Check

1. I will time you for two minutes. List as many genres as you can.
2. Write a brief explanation of each. (1-2 lines only)
3. Define genre.
4. Write your top 2 questions about genre that you'd like to ask me. (Think about what's confusing about distinguishing between genres.)

I will create lessons on genre based on your responses.
